

The Medical Directory of Australia

2011 Subscription Fact Sheet

The Medical Directory of Australia is the most accurate and comprehensive database of doctors, health care professionals and medical organisations in Australia. It is ideal for locating, contacting or crosschecking details of health care professionals and organisations in Australia.

Our new online service now offers significant advantages over the previous book and CD ROM formats, including:

- Immediate access to the most detailed medical directory information in Australia
- The most current information available, updated daily
- Access from any location via the internet
- Reduced installation and network requirements
- PC & Mac compatible

What is contained in the Directory?

MDA Online provides you with instant access to information on over:

- 64,000 Doctors
- 24,600 Group Practices
- 6,900 Hospitals, Day Surgeries and Nursing Homes
- 6,000 Pharmacies
- 800 Institutions, Colleges, Associations and Organisations

The directory includes intuitive search functionality that enables precise targeting by:

- Name
- Address, Suburb, State & Postcode
- Metropolitan or Rural Location
- Phone Number
- Main Medical Discipline
- Medical Fields of Practice
- Qualifications
- Gender
- Languages Spoken
- Practising Status, Employment Type or Locum

Doctor records contain details on:

- Name/s
- Gender
- Title
- Qualifications
- University
- Year and Country of Graduation
- Specialisation/s
- Awards and Official Honours
- Career Details
- Principal Practice and Contact Numbers
- Secondary Practice/s Addresses

Subscription packages available

There are currently two kinds of subscription packages available. *Personal subscriptions* for single users which offer affordable access from any location, and *Network subscriptions* for organisations with multiple users. Both packages offer full access to the complete directory service. *Institutional subscriptions* for large potential user groups will also be introduced shortly.
